

Now Building the Vision

Legacy Academy International is currently in development and laying the foundation for a transformative educational experience in Liberia.

We invite families, partners, supporters, and community members to stay connected and grow with us.

What Makes Legacy Academy Distinct

- A strong Liberian educational identity
- A global outlook and future-focused model
- A commitment to excellence, discipline, and leadership
- A vision that combines rigor with meaningful student support
- A commitment to access for students from varied economic backgrounds
- A school culture designed to nurture confidence, curiosity, and promise

Legacy Academy International is being shaped to prepare students not only to succeed academically, but to become contributors, innovators, and leaders in Liberia and beyond.

**LEGACY ACADEMY
INTERNATIONAL**

Rooted in Heritage. Prepared for the World.

*Building a Legacy of Learning,
Leadership, and Opportunity*

A new PreK-12 educational vision for Liberia, designed to prepare students for excellence in school, leadership in life, and meaningful contribution in the world.

Who We Are

Legacy Academy International is being established to provide a rigorous, values-driven educational experience for students in Liberia. Our vision is to create a school community where learners are academically challenged, culturally grounded, and globally prepared.

We believe education should do more than teach facts. It should shape character, expand opportunity, and equip students to lead purposeful lives.

As a developing PreK-12 institution, Legacy Academy International is being built to serve students and families who seek strong academics, meaningful structure, and a future-focused approach to learning.

*Nationally Grounded.
Globally Aligned.*

Our Mission

To provide students with a rigorous, values-driven education that blends national academic alignment with global perspectives, leadership development, and meaningful access to opportunity.

Our Vision

To develop future leaders in Liberia who are academically prepared, socially aware, and globally competitive.

Core Values

Excellence

We uphold high standards for teaching, learning, and personal growth.

Integrity

We believe character, honesty, and responsibility are essential to meaningful leadership.

Leadership

We prepare students to think critically, act courageously, and serve with purpose.

Access

We are committed to expanding educational opportunity for students from varied economic backgrounds.

Our Academic Approach

Legacy Academy International is being designed to offer a strong educational pathway from early childhood through secondary school. Our academic model reflects both local relevance and global aspiration.

- PreK-12 learning pathways
- Alignment with national educational standards
- American-influenced instructional practices
- Strong literacy and mathematics foundations
- Science, technology, and innovation exposure
- Leadership and character development
- College and career readiness support
- A structured, student-centered learning environment

*A school that is academically serious
and intentional about purpose.*
